CÓDIGOS DE REFERENCIA

BAKERY: B

(Panadería)

MEAT: M

(Cárnicos)

FISH: F

(Pescado)

CANNED VEGETABLES: V

(Vegetales en Conservas)

DAIRY: D

(Lácteos)

READY-TO-EAT: R

(Productos listos para comer)

NOTICIAS

Título de la noticia	Link	Referencia
A Made-in-Canada Solution to E. coli O157 Outbreaks	http://feeds.lexblog.com/~r/foodsafetynews/mRcs/~3/0e511UO9GKs/	B, V, M, F, D, R
Customs Union imposes more import restrictions	http://www.globalmeatnews.com/Industry-Markets/Customs-Union-imposes-more-import-restrictions?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	B, V, M, F, D, R
DDG into a Food-grade Ingredient	http://www.preparedfoods.com/articles/111940-ddg-into-a-food-grade-ingredient?WT.rss_f=Subscribe+to+Preparedfoods.com%27s+RSS+Feed&WT.rss_a=DDG+into+a+Food-grade+Ingredient&WT.rss_ev=a	B, V, M, F, D, R
Freshly Baked Kindness	http://www.preparedfoods.com/articles/111941-freshly-baked-kindness?WT.rss_f=Subscribe+to+Preparedfoods.com%27s+RSS+Feed&WT.rss_a=Freshly+Baked+Kindness&WT.rss_ev=a	B
Genetically modified ingredients polarise consumer opinion, says study	http://www.foodbev.com/news/genetically-modified-ingredients-polaris	B, V, M, F, D, R
Health ingredients market seeing strong growth, says study	http://www.foodbev.com/news/health-ingredients-market-seeing-strong	B, V, M, F, D, R
Is the food labelling debate just the tip of the iceberg?	http://www.foodbev.com/opinion/is-the-food-labelling-debate-just-the-ti	B, V, M, F, D, R
Researchers ID Genetic Links to IBD, Bacteria	http://www.foodproductdesign.com/news/2012/11/researchers-id-genetic-links-to-ibd-bacteria.aspx	B, V, M, F, D, R
Trade association highlights packaging innovation	http://www.bakeryandsnacks.com/Processing-Packaging/Trade-association-highlights-packaging-innovation?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	B, V, M, F, D, R

Daily multivitamin use among men does not reduce risk of major cardiovascular events, study suggests	http://feeds.sciencedaily.com/~r/sciencedaily/health_medicine/nutrition/~3/IQnoNBim6MM/121105130405.htm	B, V, M, F, D, R
Genetically engineered tomatoes decrease plaque build-up in mice	http://feeds.sciencedaily.com/~r/sciencedaily/health_medicine/nutrition/~3/Dgo7YYHXqhE/121105114616.htm	B, V, M, F, D, R
Genetically modified food debate muted in generally accepting science community	http://phys.org/news271319505.html	B, V, M, F, D, R
Losing weight from either a low-carb or low-fat diet lowers body inflammation	http://feeds.sciencedaily.com/~r/sciencedaily/health_medicine/nutrition/~3/ftLqivRgBZs/121105140038.htm	B, V, M, F, D, R
New Zealand almost ten years behind European premium chocolate trends, says local firm	http://www.confectionerynews.com/Financial/New-Zealand-almost-ten-years-behind-European-premium-chocolate-trends-says-local-firm?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	B, R
GM tomato packed with 'good cholesterol' could help unblock arteries	http://www.foodanddrinkeurope.com/Publications/Food-Beverage-Nutrition/foodnavigator.com/Science-Nutrition/GM-tomato-packed-with-good-cholesterol-could-help-unblock-arteries?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	R
New PTI retort pouch seal sensor risks redundant beagles	http://www.foodproductiondaily.com/Quality-Safety/New-PTI-retort-pouch-seal-sensor-risks-redundant-beagles?utm_source=RSS_podcast&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BPodcast	R
New study shows cranberries reduce cardiovascular risk	http://www.foodbev.com/news/new-study-shows-cranberries-reduce-cardi	B
Pac Vending launches system for freshly baked baguettes	http://www.bakeryandsnacks.com/Processing-Packaging/Pac-Vending-launches-system-for-freshly-baked-baguettes?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	B

Beef cattle to steak: DNA analyses may predict how beef will taste once it reaches our palate	http://feeds.sciencedaily.com/~r/sciencedaily/plants_animals/food/~3/BuJxnzvlvJY/121107122558.htm	M
Dairy Research Institute Launches Open Innovation Program	http://www.foodingredientsfirst.com/news/Dairy-Research-Institute-Launches-Open-Innovation-Program.html	D
Exotic flavor trend prompts Imperial passionfruit bar launch	http://www.foodanddrinkeurope.com/Publications/Food-Beverage-Nutrition/confectionerynews.com/Markets/Exotic-flavor-trend-prompts-Imperial-passionfruit-bar-launch?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	R
Flavour and texture affect satiety, says study	http://www.foodbev.com/news/flavour-and-texture-affect-satiety-says	R
Kids may consume more soda, calories when eating out	http://www.ift.org/Food-Technology/Daily-News/2012/November/07/Kids-may-consume-more-soda-calories-when-eating-out.aspx	B, V, M, F, D, R
Low prevalence of type 2 diabetes among regular black tea drinkers	http://feeds.sciencedaily.com/~r/sciencedaily/health_medicine/nutrition/~3/O5lf_ClaRyA/121107200148.htm	B, V, M, F, D, R
No link found between calcium intake and coronary artery calcification	http://feeds.sciencedaily.com/~r/sciencedaily/health_medicine/nutrition/~3/oyS1bStJn-M/121107145931.htm	B, V, M, F, D, R
Study aims to uncover the aroma secrets of caramel	http://www.foodnavigator.com/Science-Nutrition/Study-aims-to-uncover-the-aroma-secrets-of-caramel?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	B
UK to introduce country-of-origin labelling on meat	http://www.globalmeatnews.com/Industry-Markets/UK-to-introduce-country-of-origin-labelling-on-meat?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	M
Bioplastics on the rise	http://www.foodbev.com/news/bioplastics-on-the-rise	B, V, M, F, D, R
Child care providers can be part of solution for	http://feeds.sciencedaily.com/~r/sciencedaily/health_medicine/nutrition/~3/TNw4gZ4eg-o/121108181441.htm	B, R

childhood obesity		
Chocolate genome research good for farmers, environment, sweet lovers	http://phys.org/news271579842.html	B
Creating a healthier Europe: EU project calls for better data on policy impact	http://www.foodqualitynews.com/Publications/Food-Beverage-Nutrition/foodnavigator.com/Science-Nutrition/Creating-a-healthier-Europe-EU-project-calls-for-better-data-on-policy-impact?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	B, V, M, F, D, R
Diabetes study: 'Mindful eating' equals traditional education in lowering weight and blood sugar	http://feeds.sciencedaily.com/~r/sciencedaily/health_medicine/nutrition/~3/6iXdC19IUxg/121108181136.htm	B, V, M, F, D, R
Dow Chemical pinpoints packaging trends	http://www.foodproductiondaily.com/Packaging/Dow-Chemical-pinpoints-packaging-trends?utm_source=RSS_videocast&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BVideocast	B, V, M, F, D, R
European Commission opts for phase down instead of HFC ban	http://www.foodproductiondaily.com/Processing/European-Commission-opts-for-phase-down-instead-of-HFC-ban?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	B, V, M, F, D, R
Food safety and sustainability trends dominate Pack Expo	http://www.foodproductiondaily.com/Packaging/Food-safety-and-sustainability-trends-dominate-Pack-Expo?utm_source=RSS_videocast&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BVideocast	B, V, M, F, D, R
Grape seed extract bollixes norovirus	http://feeds.sciencedaily.com/~r/sciencedaily/plants_animals/food/~3/HI2PyCAI_hA/121108195701.htm	B
High-carb diet may increase colon cancer recurrence risk	http://www.ift.org/Food-Technology/Daily-News/2012/November/08/High-carb-diet-may-increase-colon-cancer-recurrence-risk.aspx	B, V, M, F, D, R
Innova identifies top 10 trends for 2013	http://www.ift.org/Food-Technology/Daily-News/2012/November/08/Innova-identifies-top-10-trends-for-2013.aspx	B, V, M, F, D, R
Spinach Recalled for Salmonella Risk	http://feeds.lexblog.com/~r/foodsafetynews/mRcs/~3/mL0dd-0YXr0/	V
Study shows packaging contributes to the obesity	http://www.foodbev.com/news/study-shows-packaging-contributing-to-th	B, V, M, F, D, R

crisis		
Sugar and spice and everything not so nice: Spice allergy affects foodies and cosmetic users alike	http://feeds.sciencedaily.com/~r/sciencedaily/health_medicine/nutrition/~3/23fGOIFhyg8/121108073639.htm	B, R
7-Up with Antioxidants Accused of Misleading	http://www.preparedfoods.com/articles/111954--up-with-antioxidants-accused-of-misleading?WT.rss_f=Subscribe+to+Preparedfoods.com%27s+RSS+Feed&WT.rss_a=7-Up+with+Antioxidants+Accused+of+Misleading&WT.rss_ev=a	R
An egg a day to keep allergies away?	http://feeds.sciencedaily.com/~r/sciencedaily/health_medicine/nutrition/~3/1AlyB9wSnSM/121109083748.htm	D
Drinking green tea with starchy food may help lower blood sugar spikes	http://feeds.sciencedaily.com/~r/sciencedaily/health_medicine/nutrition/~3/2awRNw-xwR8/121109084238.htm	R
Green Tea May Reduce Blood Sugar Spikes	http://www.preparedfoods.com/articles/111953-green-tea-may-reduce-blood-sugar-spikes?WT.rss_f=Subscribe+to+Preparedfoods.com%27s+RSS+Feed&WT.rss_a=Green+Tea+May+Reduce+Blood+Sugar+Spikes&WT.rss_ev=a	R
Red Yeast Rice on Cholesterol	http://www.preparedfoods.com/articles/111955-red-yeast-rice-on-cholesterol?WT.rss_f=Subscribe+to+Preparedfoods.com%27s+RSS+Feed&WT.rss_a=Red+Yeast+Rice+on+Cholesterol&WT.rss_ev=a	R
Amino acid composition and antioxidant activities of hydrolysates and peptide fractions from porcine collagen	http://fst.sagepub.com/cgi/content/abstract/18/5/425?rss=1	B, V, M, F, D, R
Development of functional milk desserts enriched with resistant starch based on consumers' perception	http://fst.sagepub.com/cgi/content/abstract/18/5/465?rss=1	D
Evaluation of antioxidant, rheological, physical and sensorial properties of wheat flour dough and cake containing turmeric powder	http://fst.sagepub.com/cgi/content/abstract/18/5/435?rss=1	B

Microbiological quality of Cuttlefish (<i>Sepia pharaonis</i>) fillets stored in dry and wet ice	http://fst.sagepub.com/cgi/content/abstract/18/5/455?rss=1	F
Optimization of microwave vacuum drying of lotus (<i>Nelumbo nucifera</i> Gaertn.) seeds by response surface methodology	http://fst.sagepub.com/cgi/content/abstract/18/5/477?rss=1	F
Optimization of process for reduction of antinutritional factors in edible cereal brans	http://fst.sagepub.com/cgi/content/abstract/18/5/445?rss=1	B, D
Coeliac disease on the rise in Europe	http://www.eufic.org/article/en/artid/Coeliac-disease-on-the-rise-in-Europe/	B, V, M, F, D, R
Consumer confidence critical in food safety battle, says FDA representative	http://www.foodqualitynews.com/Public-Concerns/Consumer-confidence-critical-in-food-safety-battle-says-FDA-representative?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	B, V, M, F, D, R
Crust formed on overcooked foods can triple the risk of heart disease	http://www.naturalnews.com/037921_glycation_overcooked_foods_heart_disease.html	B, V, M, F, D, R
Goldfish Crackers targeted in 'natural' lawsuit over genetically engineered soy as Prop 37 supporters launch 'GMO inside' initiative	http://www.bakeryandsnacks.com/Regulation-Safety/Goldfish-Crackers-targeted-in-natural-lawsuit-over-genetically-engineered-soy-as-Prop-37-supporters-launch-GMO-inside-initiative?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	F
Green tea and coffee extract in donuts slashes acrylamide: Study	http://www.bakeryandsnacks.com/Formulation/Green-tea-and-coffee-extract-in-donuts-slashes-acrylamide-Study?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	R
Incidence of gluten sensitivity skyrocketing in the U.S. - Are GMOs to blame?	http://www.naturalnews.com/037923_gluten_sensitivity_GMOs_food_intolerance.html	B, V, M, F, D, R

Undeclared allergens prompt Frito-Lay cookie recall	http://www.foodqualitynews.com/Food-Alerts/Undeclared-allergens-prompt-Frito-Lay-cookie-recall?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	B, V, M, F, D, R
World Health Organisation aims to protect kids from marketing	http://www.foodbev.com/news/world-health-organisation-aims-to-protect	B, V, M, F, D, R
bioMérieux bids to detect listeria	http://www.foodqualitynews.com/Innovation/bioMerieux-bids-to-detect-listeria?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	B, V, M, F, D, R
Fast food menu options double: Calorie counts remain high	http://feeds.sciencedaily.com/~r/sciencedaily/health_medicine/nutrition/~3/Rc5QcO1Q8Fs/121113134815.htm	R
Food businesses are at risk from lack of social media policy	http://www.foodbev.com/news/food-businesses-are-at-risk-from-lack-of	B, V, M, F, D, R
Health concern of ageing can be helped by soya protein, says survey	http://www.foodbev.com/news/ageing-can-be-helped-by-soya-protein-say	B, V, M, F, D, R
How food companies are innovating to beat the financial crisis	http://www.foodproductiondaily.com/Supply-Chain/How-food-companies-are-innovating-to-beat-the-financial-crisis?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	B, V, M, F, D, R
Multiple sclerosis and vitamin D connection makes winter sun essential	http://www.naturalnews.com/037936_multiple_sclerosis_vitamin_D_sun_exposure.html	B, V, M, F, D, R
New health-economic model shows benefits of boosting dietary calcium intake	http://feeds.sciencedaily.com/~r/sciencedaily/health_medicine/nutrition/~3/VYulCJIUHZE/121113083640.htm	R
Omega-3 May Reduce CVD Risk	http://www.preparedfoods.com/articles/111960-omega-3-may-reduce-cvd-risk?WT.rss_f=Subscribe+to+Preparedfoods.com%27s+RSS+Feed&WT.rss_a=Omega-3+May+Reduce+CVD+Risk&WT.rss_ev=a	B, V, M, F, D, R
Probiotic may lower LDL, total cholesterol	http://www.ift.org/Food-Technology/Daily-News/2012/November/13/Probiotic-may-lower-LDL-total-cholesterol.aspx	B, V, M, F, D, R

Report: National brands gaining on private label	http://www.ift.org/Food-Technology/Daily-News/2012/November/13/Report-National-brands-gaining-on-private-label.aspx	B, V, M, F, D, R
The importance of beta carotene	http://www.naturalnews.com/037933_beta_carotene_carotenoids_foods.html	B, V, M, F, D, R
Vitamin D may prevent clogged arteries in diabetics	http://www.ift.org/Food-Technology/Daily-News/2012/November/13/Vitamin-D-may-prevent-clogged-arteries-in-diabetics.aspx	B, V, M, F, D, R
California rejects GMO labeling: What's next for GMOs on food labels?	http://www.ift.org/Food-Technology/Daily-News/2012/November/14/California-rejects-GMO-labeling-Whats-next-for-GMOs-on-food-labels.aspx	B, V, M, F, D, R
Children face high exposure to foodborne toxins	http://www.foodqualitynews.com/Public-Concerns/Children-face-high-exposure-to-foodborne-toxins?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	B, V, M, F, D, R
How consumer-friendly are hydrocolloids?	http://www.bakeryandsnacks.com/Formulation/How-consumer-friendly-are-hydrocolloids?utm_source=RSS_videocast&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BVideocast	B, V, M, F, D, R
La séquence du génome porcin officiellement publiée	http://www.inra.fr/presse/genome_porcin	M
Labeling failure prompts Walkers withdrawal in UK	http://www.foodqualitynews.com/Food-Alerts/Labeling-failure-prompts-Walkers-withdrawal-in-UK?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	B, V, M, F, D, R
Scientists developing anti-counterfeit milk powder source test	http://www.foodqualitynews.com/Innovation/Scientists-developing-anti-counterfeit-milk-powder-source-test?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	D
Arginine and proline enriched diet may speed wound healing in diabetes	http://feeds.sciencedaily.com/~r/sciencedaily/health_medicine/nutrition/~3/4lod9HB4UbE/121115162135.htm	B, V, M, F, D, R
Dietary glucose affects the levels of a powerful oncogene in mice	http://feeds.sciencedaily.com/~r/sciencedaily/health_medicine/nutrition/~3/zfOTTTUa6uA/121115133152.htm	B, V, M, F, D, R
Do Nanomaterials Pose Health Risks? What Science	http://feeds.lexblog.com/~r/foodsafetynews/mRcs/~3/9s9J935uFAs/	B, V, M, F, D, R

Has to Say		
Fast food calorie counts remain high	http://www.ift.org/Food-Technology/Daily-News/2012/November/15/Fast-food-calorie-counts-remain-high.aspx	B, V, M, F, D, R
Food Standards Agency commits to food hygiene programme	http://www.foodbev.com/news/fsa-committed-to-food-hygiene-delivery-p	B, V, M, F, D, R
FoodDrinkEurope commits to new efforts on GDA labelling	http://www.foodbev.com/news/fooddrinkeurope-commits-to-new-efforts-o	D, R
GMOs - Take them back to the store!	http://www.naturalnews.com/037969_GMOs_grocery_store_refunds.html	B, V, M, F, D, R
GRAS for Salmon Protein Hydrolysate	http://www.preparedfoods.com/articles/111968-gras-for-salmon-protein-hydrolysate?WT.rss_f=Subscribe+to+Preparedfoods.com%27s+RSS+Feed&WT.rss_a=GRAS+for+Salmon+Protein+Hydrolysate&WT.rss_ev=a	F
How cream highlights the imbalance of power in packaging and design	http://www.foodbev.com/news/how-cream-highlights-the-imbalance-of-po	B
Lutte contre les maladies animales et zoonoses : coopération et échanges des vétérinaires du pourtour méditerranéen	http://agriculture.gouv.fr/Lutte-contre-les-maladies-animales	B, V, M, F, D, R
Omega-3 fatty acid intake improves your memory	http://www.naturalnews.com/037970_omega-3s_memory_brain_health.html	B, V, M, F, D, R
Processing time 'miscalculation' leads to sausage recall	http://www.foodqualitynews.com/Food-Alerts/Processing-time-miscalculation-leads-to-sausage-recall?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	M
Sensient's natural apple flavors to plug 'positive nutrition' desires	http://www.bakeryandsnacks.com/Formulation/Sensient-s-natural-apple-flavors-to-plug-positive-nutrition-desires?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	B

The good news and the bad news in the dairy industry	http://www.foodbev.com/opinion/the-good-news-and-the-bad-news-in-the-da	D
The International Sweeteners Association raises awareness of diabetes	http://www.foodbev.com/news/the-international-sweeteners-association	B
Conference highlighted awareness of hygiene in food production, says EHEDG	http://www.foodqualitynews.com/Public-Concerns/Conference-highlighted-awareness-of-hygiene-in-food-production-says-EHEDG?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	B, V, M, F, D, R
Health Basics: When is organic still GMO?	http://www.naturalnews.com/037992_organic_food_GMO.html	B, V, M, F, D, R
Major European food and beverage companies to harmonize nutrition labelling	http://regulatoryandfoodsafety.food-business-review.com/news/major-european-food-and-beverage-companies-to-harmonize-nutrition-labelling-161112	B, V, M, F, D, R
Daycare linked to being overweight	http://feeds.sciencedaily.com/~r/sciencedaily/health_medicine/nutrition/~3/6Yg4daLBUf8/121117184620.htm	B, V, M, F, D, R
Ruggles Adds Hot Chocolate Ice Cream	http://www.preparedfoods.com/articles/111985-ruggles-adds-hot-chocolate-ice-cream?WT.rss_f=Subscribe+to+Preparedfoods.com%27s+RSS+Feed&WT.rss_a=Ruggles+Adds+Hot+Chocolate+Ice+Cream&WT.rss_ev=a	B
Vitamin K2 MK-7 obtains self-affirmed GRAS status	http://www.ift.org/Food-Technology/Daily-News/2012/November/19/Vitamin-K2-MK7-obtains-self-affirmed-GRAS-status.aspx	B, V, M, F, D, R
E.coli infection led to no elevated risk of heart disease, says study	http://www.foodqualitynews.com/Public-Concerns/E.coli-infection-led-to-no-elevated-risk-of-heart-disease-says-study?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	B, V, M, F, D, R
Look for the Caffeine Label	http://www.preparedfoods.com/articles/111995-look-for-the-caffeine-label?WT.rss_f=Subscribe+to+Preparedfoods.com%27s+RSS+Feed&WT.rss_a=Look+for+the+Caffeine+Label&WT.rss_ev=a	R
No health risk from candelilla wax, says EFSA	http://www.confectionerynews.com/Regulation-Safety/No-health-risk-from-candelilla-wax-says-EFSA?utm_source=RSS_text_news&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BText%2BNews	B, V, M, F, D, R

Bioactive compounds and phenolic-linked functionality of powdered tropical fruit residues	http://fst.sagepub.com/cgi/content/abstract/18/6/539?rss=1	V
Bioactive compounds in cereal grains - occurrence, structure, technological significance and nutritional benefits - a review	http://fst.sagepub.com/cgi/content/abstract/18/6/559?rss=1	B, V, M, F, D, R
Changes in Quality and Biochemical Parameters in 'Idared' apples during Prolonged Shelf Life and 1-MCP treatment	http://fst.sagepub.com/cgi/content/abstract/18/6/569?rss=1	B, V, M, F, D, R
Cut Calories	http://www.preparedfoods.com/articles/112011-cut-calories?WT.rss_f=Subscribe+to+Preparedfoods.com%27s+RSS+Feed&WT.rss_a=Cut+Calories&WT.rss_ev=a	B, V, M, F, D, R
FoodDrinkEurope calls for testing of ENVIFOOD Protocol	http://www.fooddrinkeurope.eu/news/press-release/fooddrinkeurope-calls-for-testing-of-envifood-protocol	B, V, M, F, D, R
Gluten-free Solution	http://www.preparedfoods.com/articles/112012-gluten-free-solution?WT.rss_f=Subscribe+to+Preparedfoods.com%27s+RSS+Feed&WT.rss_a=Gluten-free+Solution&WT.rss_ev=a	B, V, M, F, D, R
Healthier Frying	http://www.preparedfoods.com/articles/112001-healthier-frying?WT.rss_f=Subscribe+to+Preparedfoods.com%27s+RSS+Feed&WT.rss_a=Healthier+Frying&WT.rss_ev=a	R
Inhaled nitric oxide improves outcomes in mice resuscitated with stored blood	http://feeds.sciencedaily.com/~r/sciencedaily/health_medicine/nutrition/~3/il1yYBRClts/121121092631.htm	B, V, M, F, D, R
Labelling development geared towards 'individual requirements' - KHS	http://www.foodproductiondaily.com/Packaging/Labelling-development-geared-towards-individual-requirements-KHS?utm_source=RSS_videocast&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BVideocast	B, V, M, F, D, R
Microencapsulation of conjugated linolenic acid-	http://fst.sagepub.com/cgi/content/abstract/18/6/549?rss=1	B, V, M, F, D, R

rich pomegranate seed oil by an emulsion method		
Salmon Recalled for Listeria Risk	http://feeds.lexblog.com/~r/foodsafetynews/mRcs/~3/fyY9S5fWPZQ/	F
Stealth health or loud and proud: When should food companies mention salt reduction?	http://www.bakeryandsnacks.com/Formulation/Stealth-health-or-loud-and-proud-When-should-food-companies-mention-salt-reduction?utm_source=RSS_podcast&utm_medium=RSS%2Bfeed&utm_campaign=RSS%2BPodcast	B, V, M, F, D, R
Viscozyme L action on soy slurry affects carbohydrates and antioxidant properties of silken tofu	http://fst.sagepub.com/cgi/content/abstract/18/6/531?rss=1	B, V, M, F, D, R
Could fruit help to improve vascular health?	http://feeds.sciencedaily.com/~r/sciencedaily/plants_animals/food/~3/G5lugPsZg44/121122095319.htm	B, V, M, F, D, R
